EMAE Music Research Tuition Trip

Our Year 5s have been taking part in music lessons centred around the current research about how children learn musical concepts. Some of the children are learning to play the cello or violin. Six of the children went to London to perform. Well done.

Year 5 Trip to Wimbledon

Eight lucky draw winners in Year 5 spent the day at Wimbledon on July 5th. Their behaviour was exemplary - in fact a retired headteacher spoke to Mr McNicholas to say how impressed he

was with the children. Well done Year 5 and thank you to Mr Maldon and Mr McNicholas for arranging such a memorable event

Going above and beyond - Reflections on the Academic Year

As we come to the end of this school year we thought it was a good time to reflect on some of the amazing experiences the children have had this year:-

All children have had the opportunity to go on at least one school trip.

Highlights

School trips have included visits to museums, art galleries, Liverpool Empire (Demon Dentist), across Wirral peninsular, Eureka Science museum, The Open, Wimbledon, London and Anglesey.

360 Key Stage 2 children have had swimming lessons. 450 children have participated in wheelchair sports activities. 180 children have experienced acting workshops with a renowned actor covering Bloodbrothers and Shakespeare. Over 100 children have experienced a residential overnight stay.

Visitors

We have been so fortunate to have a wealth of visitors to enhance our children's learning experiences. These have included:- professional sportsmen and women (including Kate Hughes - professional golfer), scientists (Michael Brassington), veterans from Wirral Joint Services Club, Wallasey, representatives from different faiths, Mad Scientists, a refugee called Sayeed, Rich Dodd, Chris Malburn (Active Travel officer), Danny Taylor (actor) and Phil Walton (Everest climber) to name but a few.

This year has been truly amazing. The children have had so many marvellous opportunities. It really feels that we are now operating as 'business as usual' after the pandemic. Thank you for all your support.

Thank you for going above & beyond.
